

HOUSTON-BASED | ESTABLISHED 2016 | EDUCATION • TECHNOLOGY • BUSINESS • MOBILITY

COMPANY OVERVIEW

Tolux LLC is a Texas-based small business delivering practical, technology-enabled solutions across education and workforce support, business operations, and mobility services. We combine educator-led expertise, applied technology, and hands-on operating experience to help public agencies and teaming partners execute clearly, responsibly, and efficiently.

CORE COMPETENCIES

- Education and workforce training: mathematics instruction, curriculum support, tutoring programs, assessment, and learner progress solutions
- Technology-enabled services: AI-assisted learning tools, workflow support, digital content, data organization, and user testing
- Business and contracting support: research, documentation, opportunity tracking, compliance organization, customer support, and project coordination
- Mobility and vehicle services: local transportation support, vehicle coordination, fleet-related services, and equipment logistics
- Construction and facilities support: site cleanup, material movement, general labor, painting, minor property maintenance, grounds support, and project documentation

DIFFERENTIATORS

- Led by a Texas-certified Mathematics 9-12 educator with classroom, curriculum, and learner-support experience
- Combines education expertise, business management, applied AI, and real-world service operations under one accountable team
- Lean small-business structure enables responsive communication, tailored delivery, and rapid problem resolution
- Houston-area knowledge and experience serving students, families, businesses, and local service customers
- Outcome-oriented approach focused on clarity, measurable progress, documentation, and dependable follow-through
